

Tabita Rezaire

Biography

Tabita Rezaire (b.1989, Paris, France) is infinity incarnated into an agent of healing, who uses art as a means to unfold the soul. Her cross-dimensional practices envision network sciences – organic, electronic and spiritual – as healing technologies to serve the shift towards heart consciousness. Navigating digital, corporeal and ancestral memory as sites of resilience, she digs into scientific imaginaries to tackle the pervasive matrix of coloniality and the protocols of energetic misalignments that affect the songs of our body-mind-spirits. Inspired by quantum and cosmic mechanics, Tabita's work is rooted in time-spaces where technology and spirituality intersect as fertile ground to nourish visions of connection and emancipation. Through screen interfaces and collective offerings, she reminds us to open our inner data centres to bypass western authority and download directly from source.

She has a Bachelor in Economics (Fr) and a Master of Research in Artist Moving Image from Central Saint Martins (UK). Tabita is a founding member of the artist group NTU, half of the duo Malaxa, and the mother of the energy house SENEb.

Recent solo exhibitions include: Tabita Rezaire. Calabash Nebula, Museo Nacional Thyssen-Bornemisza, Madrid (2024); Fusion élément.terre, Les Abattoirs, Toulouse, France (2023); Tabita Rezaire: Symbiose Immaculée, IMPAKT and Centraal Museum (2021); Tabita Rezaire: EXOTIC TRADE, Goodman Gallery, Johannesburg, South Africa (2017).

Group exhibitions include: Sex Reenchanted, Heidelberger Kunstverein, Heidelberg, Germany (2024); Omi Libations (2024) at project space of the Schering Stiftung, Berlin, Germany; Actions for the Earth: Art, Care & Ecology, Block Museum of Art, Northwestern University in Evanston, Illinois (2024), THIS IS NOT AFRICA: UN-LEARN WHAT YOU HAVE LEARNED at ARoS, Aarhus Kunstmuseum in Aarhus, Denmark (2021); Statens Museum for Kunst, Copenhagen, Denmark; Goddesses of Healing, M.Bassy, Hamburg, Germany (2021).

Rezaire has shown her work internationally – Centre Pompidou, Paris; Serpentine London; MoMa NY; New Museum NY; MASP, Sao Paulo; Gropius Bau Berlin; MMOMA Moscow, Museum of Contemporary Art Chicago; ICA London; V&A London; National Gallery Denmark; The Broad LA; MoCADA NY; Tate Modern London; Museum of Modern Art Paris – and contributed to several Biennales such as the Lagos Biennale (2024); Guangzhou Triennial (2018); Athens Biennale (2018); Kochi Biennale (2018); Performa (2017); Berlin Biennale (2016).

Rezaire lives and works in Cayenne, French Guiana, where she is currently studying agriculture and birthing AMAKABA —her vision for collective healing in the Amazonian forest. Tabita is devoted to becoming a mother to the world.
